

BEAUTY— Whether Blonde or Brunette

or any other type, is a matter of personal preference, but no type of beauty can be perfect without

A CLEAR COMPLEXION

This can only be accomplished by the use of the best possible creams that will counteract the effects of sun, wind or rain.

The summer sun burns and darkens the skin. Summer winds dry it. Dust combined with excessive perspiration fills up the delicate pores, causing ugly blemishes.

Avoid this—Give your skin a daily scientific treatment and obtain that bloom of youth so highly prized by every woman.

VIOLET DULCE COLD CREAM—A remarkably efficient skin cleanser. Fragrant with the delicate odor of fresh-cut violets, it cleanses the pores of all impurities. **Beautiful Ornamental Jar, 50 cents**

HARMONY COCOA BUTTER COLD CREAM—Especially good for sunburn. A healing skin food that helps nature in bringing to your face a soft, smooth, comfortable feeling, and that will help eradicate wrinkles. **Large Jar, 50 cents**

COMBINATION CREAM JONTEEL—An all-purpose cream with the wonderful Jonteel odor. Neither greasy nor greasiness. **Handsome Oval Jar, 50 cents**

May we have the pleasure of demonstrating these beautifiers to you?

Ford
THE UNIVERSAL CAR

Like the regular Ford cars the Ford Model T One Ton Truck is a real farm necessity, just as it is the necessity of a manufacturer, contractor and merchant. There is no question about it proving a money-saver right from the start. It is flexible, turning in a 36-foot circle; has 124 inch wheel base; the regular Ford motor with worm drive—and has proven as economical in operation and maintenance as the Ford Touring Car. The price of the truck chassis is \$690 f. o. b. Detroit. We urge placing orders without delay in order to get reasonably fair delivery. The demand is big—come in and let us talk it over.
